

EXPLANATION OF COMMISSION DETERMINATION ON ADEQUACY

in

Canned Pineapple from Thailand, Inv. No. 731-TA-706 (Review)

On September 1, 2000, the Commission determined¹ that it should proceed to a full review in the subject five-year review pursuant to section 751(c)(3)(B) of the Act, as amended, 19 U.S.C. § 1675(c)(3)(B). The Commission determined that the domestic interested party group response was adequate. In this regard, the Commission received a response from a domestic producer that accounts for the majority of canned pineapple production and a union that represents a substantial number of workers involved in the domestic production of canned pineapple. The Commission also determined that the respondent interested party group response was adequate. In this regard, the Commission received a response from a trade association whose members are producers/exporters of the subject merchandise from Thailand. In light of the adequate group responses, the Commission determined to proceed to a full review of *Canned Pineapple from Thailand*.

A record of the Commissioners' votes is available from the Office of the Secretary and at the Commission's web site.
